Dear Sam,

YOUR gift of \$500.00 received on September 17, 2019 will help uninsured individuals in our community struggling with medical concerns. YOU are making a difference and solving a problem. YOU are the answer.

THANK YOU! ...But perhaps one of our patients may say it best:

To All of the Amazing Wonderful Folks,

Without you I would not be here to write of my gratitude. Along with saving my life you gave me smiles, kindness and strength. So much goodness emanates at the CVIM clinic it's contagious. It is a vital service you provide, not just for me but for the community. You give more than just health care; you give caring with such gentleness. You all are my angels on earth.

Now that I have insurance it is with a little sadness in my heart that I move on to another health care provider. I will miss seeing all your smiles and feeling your care. You may use my name and circumstances and my forever gratitude with your contributors.

Sincerely with all my thanks,
Marcia M.

Marcia, who works at a local retail store, came to CVIM after unexplained weight loss and hip pain. We celebrate that Marcia and those like her have been able to regain their health and move into the healthcare system. We continue to work hard to secure CVIM's response to the ongoing need to provide access to quality care for those who turn to us. YOUR generosity makes care at CVIM possible.

With sincere gratitude,

Dear Sam,

Please accept my dearest thanks for attending my recent reception at the Hawbaker residence. Their gracious hospitality paired with a home full of friends and colleagues made for a fantastic evening. Your continued support and contributions are greatly appreciated and allow me to represent Pennsylvania's 171<sup>st</sup> Legislative District to the best of my ability.

Because of your gracious support I am able to advocate for the people and issues that are important to myself and my constituents. By working alongside business owners and executives from companies of all sizes, I continue to be a strong advocate for smart pro-growth policies that would give many Pennsylvanians the opportunity to prosper. This benefits not only Centre and Mifflin County but the nearly 13 million people who live in the commonwealth of Pennsylvania. I wouldn't be able to make such a difference without the backing of individuals like yourself.

Our community is of utmost importance and being an integral part of the community is a priority for me. I greatly value being able to interact with everyone individually and hope to retain your support and commitment moving into the next election cycle.

Best,

Kerry Benninghoff, PA Representative 171<sup>st</sup> District

*I'm truly grateful for your  
kind support on long  
time friendship  
Thank you  
my friend!*
